RESTORING YOUR ENTHUSIASM FOR WHAT YOU DO ...

CREATING NEW POSSIBILITIES FOR YOU AND OTHERS...

MAKE A DIFFERENCE

*Do you feel the need to be refreshed and renewed in what you do?
Does your work flow from your faith, your deepest commitment, your spirituality, vision and passion?
Would you like your ministry to be more powerful for you and for others?
Do you long for a breathing space to remember who you really are and why you do what you do?*

If the answer is 'YES' to one or more of the above this might be the course for you...

Ministry and service of others in any context requires a strong vision and foundation, the ability to generate and foster the participation and involvement of other people, and the flexibility to deal with both the urgent and the important in a climate of constant change. These challenges require new possibilities for personal and professional effectiveness and leadership. This course will provide you with tools to create these possibilities.

BE CENTERED AND IN TOUCH WITH THE ESSENTIAL.

The Making a Difference programme will offer you a space to become centered and to reconnect with that, which originally called you into your particular ministry. It will offer you tools that enable you to reclaim the power of your original vision and return again and again to the source. You will be able to use these tools to awaken within yourself and others new ways of being, leading and serving.

LISTEN CLEARLY AND ACT POWERFULLY

You will learn to listen in a way that challenges you to rethink what is possible for you, for others and for your ministry. You will leave equipped with tools to help you to engage in new conversations, create powerful possibilities and see fresh opportunities. You will be in action in an empowering and sustainable way and be able to use your gifts to bring about the future that you stand for.

Getting to Drumalis

By Car

Travelling by car from Belfast take the M2 and leave it at the A8 exit. Just outside Larne leave the A8 by turning left on to Pound Street, at the high-rise flats. Continue straight on, through three sets of traffic lights to the end of Victoria Road. Drumalis gates are directly opposite across the Glenarm Road.

By Rail and Bus

There is a regular bus and rail service to Larne from Belfast. An express bus service operates from **Belfast Laganside Centre** and a regular train service operates from **Belfast Central Station**. There are connecting services to these stations from other parts of Ireland, for example Dublin and Derry.

Further information about rail and bus timetables to Larne can be found on the [Translink website](#).

By Sea

Travelling to Drumalis by sea from the rest of the United Kingdom could not be simpler given its position in the port of Larne. There are regular sailings to Larne from Scotland by P&O Irish Ferries.

By Air

Two main airports serve Northern Ireland - **Belfast International Airport** that is actually located outside Belfast near the town of Templepatrick in County Antrim and **Belfast City Airport** that is in east Belfast.

The typical cost of a taxi from either of these airports to Drumalis is £25. Alternatively both airports operate bus services to Belfast from where you can get a train or bus to Larne.

Easyjet, British Midland and British European are amongst airlines operating regular flights to Northern Ireland.
